“The Girl in the Tower”

The love theme from *King's Quest VI*

Listen to it on your home stereo CD system.

Every great adventure needs a theme song, and we've included it free on this CD. Listen to the complete audio version of “The Girl in the Tower”, written by *King's Quest VI* co-designer Jane Jensen and Sierra musician Mark Seibert. The song is playable on your home stereo system. To listen to it, simply put the game CD into your stereo's audio CD player and select track 2.

Next time you get stuck on a tricky puzzle, relax and listen to this stirring theme. It will remind you why your quest is so important.

Happy adventuring!
